

# AGENDA

---

**ACEC MISSOURI / ACEC KANSAS /  
KANSAS CITY CORPS OF ENGINEERS  
LIAISON COMMITTEE**

**Tuesday, November 28, 2006**

**10:00 a.m. to 2:00 p.m.**

**Location: Shafer, Kline & Warren, Inc.**

**11100 W. 91<sup>st</sup> Street**

**Overland Park, KS 66214**

1. Corps Program Update. (COE)
2. Quality Management - both the A/E firms and the Corps. (from last mtg.)
3. Code compliance inspection process. (from last mtg.)
4. The Corps would like the A/E firms to bring with them and discuss what they use for project controls. How do they report progress and status, how do they update management, how do they control schedules, etc. (COE)
5. The Corps would like the A/E firms to talk about how they handle their records management. For example, do they have a file management center? (COE)
6. Blended Design-Build ACASS form. (COE)
7. Updates from District on the Corps direction with Centers of Standardization. (ACECMO)
8. Next Meeting Date (February 27, 2007 ???? & Location ????)
