

## WHAT IS THE CITY PIA?

The City Public Improvement Awards competition, sponsored by the American Council of Engineering Companies of Kansas, recognizes engineering projects, not for their engineering excellence, but for their benefit to the citizens of a community. Judges are asked to rank the entries based on this criteria.

## WHY SHOULD YOUR CITY ENTER?

The Public Improvement Awards offer your city an excellent opportunity to gain well-deserved recognition for your city's public improvement projects. The winning entries will receive an engraved plaque to commemorate the achievement.

## WHEN SHOULD YOU ENTER?

Now! Visit with your appropriate city personnel, review your community projects, and submit your application as soon as possible.

Application Form and submission of project must be **emailed** to the ACEC of Kansas office at [info@acecks.org](mailto:info@acecks.org) and must be sent **before the close of business on Friday, October 13, 2023.**

## ACEC KANSAS MEMBER FIRMS

# 2023 CITY PUBLIC IMPROVEMENT AWARDS

SPONSORED BY

**AMERICAN COUNCIL OF ENGINEERING  
COMPANIES OF KANSAS**

# RULES OF THE AMERICAN COUNCIL OF ENGINEERING COMPANIES OF KANSAS CITY PUBLIC IMPROVEMENT AWARDS

1. Awards will be made according to population. One award is made in each of the following groups:
  1. Population less than 5,000
  2. Population 5,000 to 19,999
  3. Population 20,000 to 49,999
  4. Population 50,000 and over
2. Projects to be considered must have been completed between July 1, 2022 and June 30, 2023.
3. Any construction project which involved PUBLIC funds will be eligible.
4. **PLEASE NOTE:** In keeping with our mission to promote the use of Qualifications Based Selection (QBS) in selection of professional design services, entries must have been procured using a pure QBS system. Any requirement to submit costs or hours (actual or estimated) prior to final selection will render a project ineligible. A copy of the original project request for qualifications must be submitted with the application. If hired directly under a sole source relationship, please indicate this in lieu of the copy of the request for qualifications. **Entries that do not contain documentation or confirmation of a pure QBS procurement process will not be considered.**
5. Contribution of the project to the city and community will be of great importance.
6. Size and cost of the project will not be the determining factors in selecting winners.
7. Pictures of the completed project will be of great assistance to the judges.
8. Applications or any questions should be directed to: American Council of Engineering Companies of Kansas, 825 S. Kansas Avenue, Suite 500, Topeka, KS 66612. (785-357-1824)
9. Application Form and submission of project must be **emailed** to the ACEC of Kansas office at [info@acecks.org](mailto:info@acecks.org) and must be sent **before the close of business on Friday, October 13, 2023.**

**AWARDS PRESENTATION WILL TAKE PLACE ON NOVEMBER 30, 2023  
DURING THE KACM ANNUAL CONFERENCE IN DODGE CITY, KS.**

**REMEMBER**, this is just a sampling of projects entered. Why not give your project a chance by entering it today?

## WHAT TYPES OF PROJECTS CAN BE ENTERED?

This partial list of past winning cities and projects will give you an idea of the types of projects that can be entered:

- |      |                                                                                                                                                                                                                                                                     |
