Alex graduated from Kansas State University with a bachelor's degree in civil engineering in 1996 and started his career at Savoy Ruggles and Bohm in Wichita. When his future wife moved to the Kansas City area Alex was not far behind and enjoyed working for Kaw Valley and Phelps Engineering while there. In 2004 Mr. Lane returned to Wichita and to his original firm now known as Ruggles and Bohm. Mr. Lane's responsibilities throughout his career have focused on land development, both commercial and residential with a particular emphasis on drainage, hydraulics and hydrology.

Alex and his wife Sally have two children Mason, age 12 and Reilly age 10. Alex spends his free time coaching youth football and enjoys watching his kids play basketball and volleyball. His other hobbies include home improvement projects and playing in a bagpipe band.
