Mandy Anderson attended Iowa State University prior to joining the Kansas Department of Transportation in 2002 working for the Bureau of Transportation Planning. During her time at KDOT, she also worked for Corridor Management helping to manage access to the state highways across Kansas. In 2005, Mandy joined GBA where she is employed currently as an Associate in the Traffic group.

In her free time, Mandy enjoys spending time with her children, Errol and Edie. Many weekends she can be found at the basketball court, the soccer pitch, or the baseball field, supporting her children's sporting interests. In addition to the kid's activities, Mandy enjoys SCUBA diving, skiing, traveling, and most anything sports related especially Iowa State football and basketball.
