Andrew Riddle started working at George Butler Associates as a Rodman on a survey crew in 1997. He worked his way up from being a Rodman to a Crew Chief and eventually became the Survey Group Leader. In 2009, he acquired his first Professional Land Surveyors license in the State of Kansas. Since then, Andrew has become professionally licensed in both Missouri and Nebraska. He is in charge of the daily activities of the survey group at GBA. He is an active member in the Kansas, Missouri, and National Society of Professional Land Surveyors.

Andrew has been happily married to his wife Kelly for 12 years. He has 3 children, 11 year old twins, Maggie and Megan, and 4 year old Macy. He likes spending time with family and friends and enjoys playing darts and watching sports in his spare time. Andrew is a lead singer in a band that occasionally plays live gigs. His family stays active and looks forward to yearly vacations like Florida and Colorado. He hopes to one day get back to into sports and spend less time watching them.
