Bio: I grew up in Anchorage, AK and went to college at Kansas State University. I interned my senior year in college at Alfred Benesch & Co in their Manhattan office, and continued with them full time after I graduated. I transferred to Benesch's Kansas City office in 2014. I met my husband in college and we got married in 2015. We have a one-year old little girl named Eleanor.

Fun fact about me: is I am from a family of 10 kids, all of which are girls.

My job would be easier if..... I didn't have to worry about billing each hour to clients.
