Bio: Chad Banka (*pronounced Bank-uh*) is a Roadway/Traffic Engineer and Project Manager in TranSystems' Wichita office. Chad grew up in Overland Park and graduated with his B.S. in Civil Engineering from Kansas State in May 2010. After graduation, Chad began working for TranSystems on a wide range of projects including bike paths, Intelligent Transportation Systems (ITS), traffic signals, and complex highway design. Working in Wichita provides Chad with unique opportunities for professional growth and development including working with first responders to improve traffic incident in the Wichita region. He currently lives in west Wichita with his wife, Cassie, and their two boys, Carson (age 6) and Corbin (age 3).

Fun fact about me: On a recent trip to Mexico, I received my SCUBA Diving Certificate. Although I am new to diving, I am looking forward to the underwater adventure!
