Bio: I grew up in Macksville, a small town in south central Kansas. I'm married to my wife Bethany, and we have 3 boys: Lincoln (5), Declan (3), and Elliott (1). I graduated from Kansas State with a degree in civil engineering. After graduation, I accepted a full-time position with Olsson and we moved to Olathe where I worked in the Overland Park office. We were there for 3.5 years before transferring back to Manhattan, still with Olsson, in 2017. I am currently an Associate Engineer at Olsson, and I am a licensed engineer in the State of Kansas. I'm a member of St. Thomas More catholic church, and I'm also on the KSPE Tri-Valley Chapter board. Other than those things, I enjoy spending time with my family and all things sports, especially Kansas State

Fun fact about me: I was lucky enough to play for legendary coach Bill Snyder at Kansas State!

My job would be a lot easier if... Time slowed down the day before a deadline rather than sped up!
