History: Kurt Huiras is a Landscape Architect at Baughman Company in Wichita, Kansas where he has practiced landscape architecture for the last 14 years. He is a member of Prairie Gateway Chapter of the American Society of Landscape Architects and currently the Wichita Member at Large. He grew up in Rice Lake, Wisconsin until moving to Minneapolis, Minnesota for college. He moved to Wichita, Kansas after graduating from the University of Minnesota in 2006 with a Masters of Landscape Architecture. He lives in Wichita with his wife Vanessa, son Myles, and two dogs. He spends most of his free time renovating his 100-year-old home, but also works on stained glass and likes to break out the smoker for a good barbecue.

Fun Fact: Kurt has built and sunk his own kayak.

Favorite Quote: Laughing at your own mistakes can lengthen your life. Laughing at someone else's can shorten it - Cullen Hightower.

My job would be a lot easier if there were less interruptions.
