

## Michael Heigert, P.E.

Alfred Benesch & Company  
3226 Kimball Ave.  
Manhattan, KS 66503  
[MHeighert@benesch.com](mailto:MHeighert@benesch.com)

Michael Heigert is a transportation Project Manager at Alfred Benesch & Company in their Manhattan office. Michael grew up working on the family farm near Paxico Kansas. After high school Michael ran track and cross country at Fort Hays State prior to transferring to Kansas State University and graduating with a Bachelors in Civil Engineering in May 2010. Michael has worked at Alfred Benesch for the last seven years and primarily focuses on local and state transportation, including roadway, small bridge, pedestrian design, and larger DOT projects. He currently resides north of Manhattan with his wife Heather, daughter Taylor (11 months), and two dogs.

Fun fact about me: Did you know 4.5 beers will fit in a frisbee? I didn't believe it either....I lost that bet.

Favorite Quote: Live your life to the fullest

My job would be a lot easier if everyone would use the same design standards and design software.
