## **Bio**

Paul Moore is a Technical Leader with Olsson Associates in the Overland Park office. At Olsson Paul manages road and highway design projects for municipalities and DOT's in the region. Paul received a B.S. in Civil Engineering from Kansas State University in 1996. Paul has been a consulting engineer for 21 years and has been with Olsson for the past 8 years. Prior to working at Olsson, Paul worked at HNTB, PB, and PEC. He is a professional engineer and has been a member of the Kansas Society of Professional Engineers for his entire career.

Paul and his wife Nicole have been married for 10 years, live in Olathe, and have two children. Brian is entering 3<sup>rd</sup> grade and loves math and baseball. Henry is entering 1<sup>st</sup> grade and loves baseball and basketball. When not working Paul enjoys sailing, golf, photography, traveling and planning the next adventure with the wife and kids.

## **Fun fact about you that will be surprising/interesting to your classmates!**

I have a goal of visiting all 50 states. Current count: 36

## **Favorite quote**

*"Believe you can and you're halfway there"* Theodore Roosevelt

## **My job would be a lot easier if**

the State of Kansas would stop "borrowing" money from the Highway Fund.
