Scott Randle P.E. is the Office Manager of Terracon's Wichita and Garden City offices. A graduate of Colorado School of Mines in geological engineering, Scott has more than 17 years' experience providing geotechnical and materials engineering expertise, beginning as a field engineering technician for a consultant in Boulder, Colorado while still attending college. His project experience includes a wide range of clients throughout Kansas, the Front Range of Colorado and the Panhandle's of Oklahoma and Texas.

A native Kansan, Scott was born in Pratt and attended Hays High. He and his wife Shelby have three children, Henry (6), Maggie (4), and James (6 mos.).
